CRITERION I CURRICULAR ASPECTS

1.2 Chandernagore College has offered 24 Add-on Courses in the last 5 years starting from the academic session 2018 to 2023. All the 19 departments of the college have offered at least 1 Add-on Course of a duration of 30 hours. Some of the departments have offered more than 1 course. Apart from these courses the college has been running various certificate courses. In the last 5 years 5 such Certificate Courses have been offered by a few departments. These Add -on Courses with well framed syllabi beyond the purview of the existing syllabus of University of Burdwan and with the objective to develop some employable skills have attracted students in large numbers. This is clear from the fact that students from various disciplines have willingly enrolled for these courses and most of them have successfully completed these courses with commendable grade points.

The next few sections would provide the details relating to Add-on and Certificate Courses that the college has offered in the last 5 years.
